

# RHINO-PAN<sup>™</sup>

- HIGH PERFORMANCE GALVALUME<sup>™</sup>
- 12" X 3" RISER PAN
- 25% LONGER SPANS

Rhino-Pan<sup>™</sup> is a revolutionary solid cover that's ideal for patios or carports. Protect your home, outdoor furniture, and automobiles from the sun's harmful UV Rays that cause fading, cracking, and deterioration.

# BENEFITS

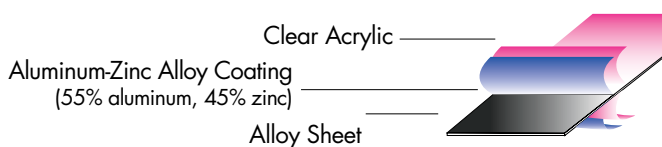

## LONGER SPANS

Rhino-Pan™ is a 3" riser panel that's designed for added strength, higher performance, and spans 25% farther than tradition patio covers. It's superior strength allows homeowners to construct covers without the addition of mid-span support beams.

## MANUFACTURED FROM GALVALUME™

Galvalume™ is a patented coating process that is designed to protect the high-performance alloy with corrosion inhibitors used to manufacture the Rhino-Pan™.
